Tasmania Fire Service

FERN TREE FIRE BRIGADE

invites you to an

OPEN AFTERNOON

Saturday 20th February 2021, between 2pm and 4pm at the Fire Station, Summerleas Road.

The Brigade is commemorating the 75th anniversary of its formation and we would like your household to celebrate with us!

- There will be displays of interest to all ages and free brochures and information packs to take away.
- See fire protection equipment suitable for domestic use and talk to suppliers about their products.
- Firefighters will show and explain the use of some of the specialized equipment we use when we attend structure fires, bush fires, medical emergencies, and vehicle crashes.
- There will be demonstrations of how to correctly use fire blankets and fire extinguishers.
- Test your skill at using a fire hose and have fun knocking down flames with a jet of water.

After having worked up an appetite doing all this, be tempted with our famous Fire Brigade sausage sizzle where sausages, burgers and onions will be available throughout the afternoon (vegetarians will be catered for). Profit from this will help support the Brigade in purchasing non - operational items to assist in the running of the Brigade.

Find out more about a proposed Junior Firefighter program for High School age students that potentially could commence later in the year - subject to sufficient interest and commitment.

Remember, we are here to serve and protect our community 24 hours a day for 365 days of the year!
